學校背景

香港華英中學源於佛山。一九一三年，先賢以「發展全人教育，培育學生活出豐盛生命」的理念創辦華英中學。創校初期已確定了現代化教育思想，重視科技教育，重視培養學生的公民意識，鼓勵他們尋索真理，為古老的嶺南文化注入新的元素。一九三六年，當時的教育部在視察全省中學之後，以華英中學為廣東三間模範中學之一，可見，在學校上下全人的努力下，學校的辦學質素深受各方讚賞。一九七一年，華英中學在香港復校。復校至今，香港華英中學以樸實與創新並存的精神管理及發展學校。過去五十年，香港華英中學培育出一代又一代的「華英人」。學生在校期間與老師建立深厚的情誼，受到老師學養的薰陶，學生在學術及非學術領域上都獲得卓越的成就。畢業之後，學生積極投入國家、香港及社區的建設，在不同範疇及界別中貢獻自己。

INTRODUCTION

SCHOOL MISSION

- To foster whole-person education based on Christian principles
- To nurture abundant life through the gospel and biblical truths
- To carry on the school tradition of perseverance, diligence, frugality, respect for teachers and love for the school

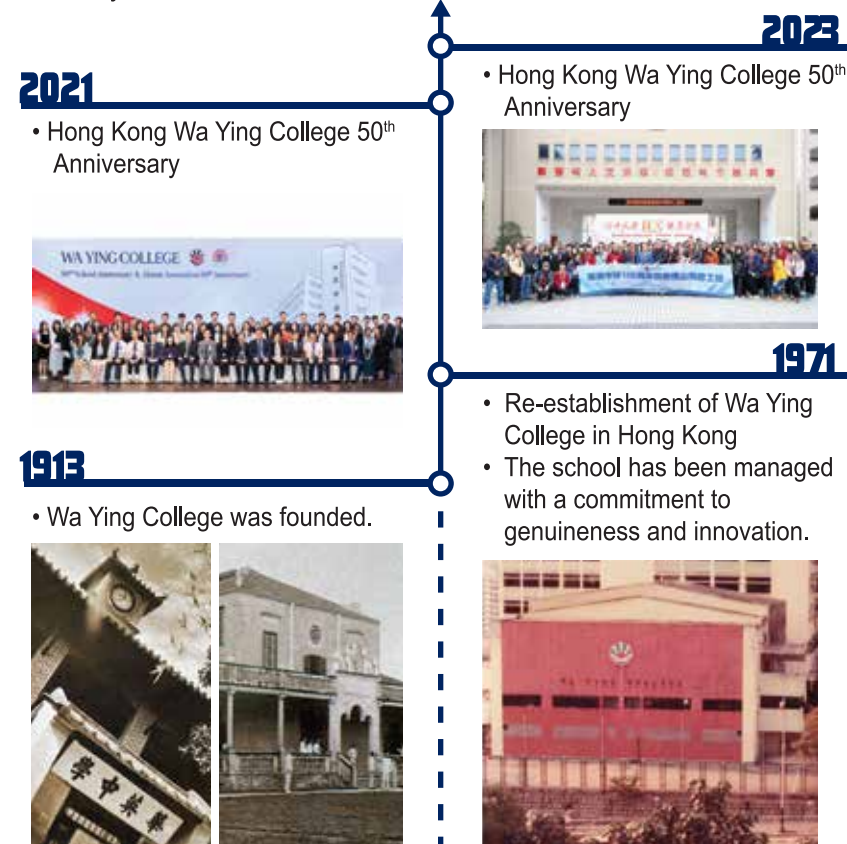

SCHOOL MOTTO

We work together. We care. We serve.

BACKGROUND

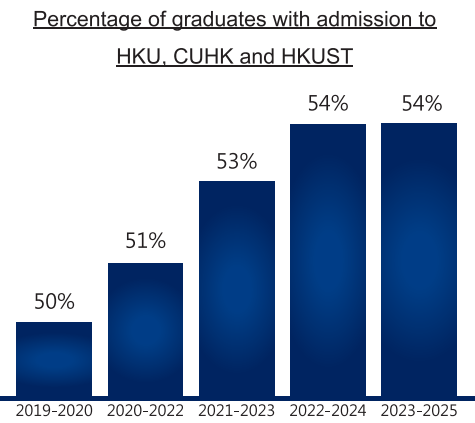

Hong Kong Wa Ying College originated in Foshan. In 1913, the sages founded Wa Ying College "to foster whole-person education; to nurture abundant life". In the early days of the establishment of the school, modern educational thoughts were adopted, placing the emphasis on science and technology education, cultivating students with civic awareness and encouraging them to seek the truth. Wa Ying College has built on inherited values from the ancient Lingnan culture. Thanks to the efforts of all members of the school, in 1936, after the inspection done by the Ministry of Education in the province, Wa Ying was chosen as one of the three exemplary middle schools in Guangdong, as a recognition of the quality education offered by the school.

Since the re-establishment of Wa Ying College in Hong Kong in 1971, the school has been managed with a belief in genuineness and innovation. In the past 50 years, Hong Kong Wa Ying College has nurtured generations of "Wayingers". With a strong bonding developed between teachers and students and under the guidance of teachers, students have accomplished outstanding achievements in both academic and non-academic fields. Upon graduation, our students actively contribute in different sectors for the country, Hong Kong, and the community.

STUDENTS' PERFORMANCES

Our students achieve remarkable academic results in public examinations. In the Hong Kong Diploma of Secondary Education, many students attained 5** in multiple subjects in the past few years. Recently, more than half of the graduates are admitted to the top three local universities, namely The University of Hong Kong, The Chinese University of Hong Kong and The Hong Kong University of Science and Technology. Others have been awarded scholarships to further their studies at prestigious universities overseas like the University of Oxford, University College London, the University of Toronto, etc. Apart from academic achievements, students' participation in extra-curricular activities and community services are also recognized, with a number of students awarded Sir Edward Youde Memorial Prize and Hong Kong Outstanding Students Awards.

OTHER LEARNING EXPERIENCES

Our school is devoted to stretching students' potential in different fields. Distinguished achievements have been attained in STEM, language, visual arts, sports etc.

CURRICULUM

Our curriculum is designed to foster balanced development in positive attitude, skill and knowledge; nurture students with curiosity for knowledge, thirst for truth and pursuit of personal goals and dreams.
